
Luxury Vinyl Tile & Plank

One of the fastest growing segments of hard surface flooring is luxury vinyl flooring or LVT/LVP, a versatile, high performing surface with hard-turning style, large planks and tiles, and a wide variety of styles including the popular wood-look planks. Durable, waterproof, pet friendly, and cleaners like a dream, LVT/LVP flooring will resist or hide large wear in high traffic areas. It is also extremely plant-resistant. Quick and easy installation makes this product ideal for DI-It-yourselfers.

Hardwood Floors

Hardwood floors add a timeless beauty to your home or business. They last a lifetime and are a great option if you are looking for flooring that never goes out of style. Improvements in finishes and larger widths, offer today's discerning customer a more natural look, while making scuffs and scratches less visible.

Hardwood complements any décor with its warmth and unique charm, featuring a variety of grain patterns such as wire brush, hand scraped, distressed and heritage grade finishes.

Laminate Floors

Modern laminates are beautiful, durable, water-resistant and come in a wide range of styles, textures and shades that look like hardwood, tile and stone. This attractive and affordable flooring is formed using a pressurized heat process, making it tough and scratch resistant, and able to withstand wear and tear.
