

TrueMatch® Flush Stair Nose

The vinyl flush stair nose with TrueMatch Technology® offers a perfect match in color, pattern, and features like embossed-in-register texture. These nosings provide a beautiful stair edge and a smooth, flush transition to the tread or flooring plank for a flawless appearance. The TrueMatch flush stair nose also preserves the integrity of the Uniclic® locking system, ensuring the flooring retains any waterproof warranties.

ADHESIVES

TreadBond® adhesive makes installation simple — designed to work with all Performance Accessories® Stair Solutions.
